Mrs. Gebauer's Second Grade Class

Room 102

Wanted- Parent Volunteers!

World Map Project

We are starting a map unit and would like to make models of the continents and the oceans. We have the molds which will allow students to create their own 3-D model of the world. These can be painted and labeled to showcase their knowledge. So... we are in need of several batches of salt and flour dough (I have the very easy recipe) along with a few parents who would like to supervise the construction of the models. If you would like to volunteer, please let me know! gebakat@sdmf.k12.wi.us

Mo Willems

We got to see a great author, Mo Willems in an internet conference with schools across the country. Mo is a very funny man who enjoys being silly! He is the author of the Knuffle Bunny books, Pidgeon books and Elephant and Piggie books.

Our Mystery Reader was Luke's dad, Mr. Lessila. He read the book, Minnie the Mump The book tells about childhood illnesses as being bad guys and lets the readers know what to do in case you get sick. We all had stories about being sick!

Bully Assembly

Last week we had a great assembly about bullying and how important it is for everyone to not only stick up for ourselves but also our friends. Jim told us three things that we should do

1. Hold up our hand and say "Stop."
2. "Think" about what to say and do.
3. "Report" to an adult when we see others being a bully.

Birthday Wishes!

We celebrated Sydney's birthday on October 14th!

Rocket Math

Be sure to practice those math facts!

Upcoming Events

- October 19-23 Red Ribbon Week - Ben Franklin School takes a stand against drugs!
