Mrs. Gebauer's Second Grade Class

Room 102

Where in the World is Menomonee Falls? We have finished up our project about the location of Menomonee Falls. We start on the planet Earth and the 7 continents, to North America, to the United States, to Wisconsin, to Waukesha county and then to Menomonee Falls.

The grand finale was being able to write our address. We believe that the hardest part of all of this was learning the address of where we live. Some of us are still struggling with it. It is important to know our address for safety reasons!

Mrs. Gebauer's

of 2nd Grade

- Please be sure to check out the following web pages.
- Look under....
- **N /Newsletters-** I will be posting all class newsletters in case you miss anything!
- **M/Math/Place Value-** *Make a Really Big Number*
- This is good practice for understanding place value and probability.

The Road Menders
By Vincent Van Gogh

Mrs. Krajna came in as our Art Docent and told us all Vincent Van Gogh's painting. When she finished she let everyone try out his technique with crayons and we created our own Impressionist drawing of trees on a street. Look for them on the bulletin board outside our classroom.

Our Mystery Reader was Jordan's mom, Mrs. Vastag. She read the book Enemy Pie by Derek Munson. How do you get rid of your enemies? You make Enemy Pie of course and it gets the job done- or does it? This was a great book with a great lesson.

Upcoming Events
